26 October 1973

MEMORANDUM FOR: Executive Secretary, United States  
Intelligence Board

SUBJECT: DCI Attendance at Committee Meetings

REFERENCE: Executive Secretary, USIB memorandum,  
above subject, dated 12 October 1973

1. The Guided Missile and Astronautics Intelligence Committee will plan to meet at Headquarters on a date selected by the DCI. We normally meet each Tuesday at the Pentagon. Because Committee work on a topic of specific interest to the DCI is expected to begin in late November or early December, I suggest the following options:

<u>Date</u>	<u>Time</u>
27 November	1000 hours
4 December	1000 hours
11 December	1000 hours

2. Upon learning from you the date the DCI has selected, arrangements will be made for a suitable conference room at Langley. I will let you know its location as soon as possible thereafter.
